

BE THERE FOR YOUR TEAM WHEN DISASTER STRIKES

Crises and natural disasters can cause significant disruption and uncertainty for your employees. Help alleviate the financial burden with an **Employee Care and Disaster Relief Account** from HealthEquity.

Our solutions enable you to cover eligible disaster related expenses on a potentially tax-free basis. We'll manage everything—from claims and adjudication to payments and reporting—so you can spend more time on what matters most.

Define your budget and eligibility period

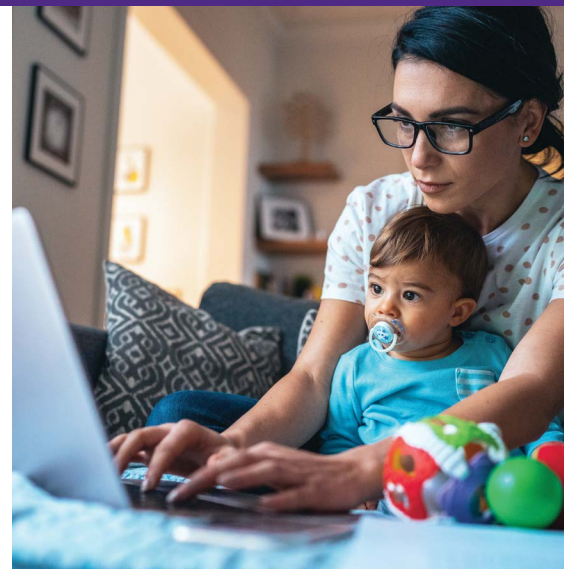

You have complete control over benefit amounts, as well as when your reimbursement plan begins and ends.

Simplify the experience

Our claims processing team will review and adjudicate reimbursement requests, freeing your team from the stress of added paperwork.

Make a difference for your people

More financial security helps promote overall wellbeing and productivity—even in a crisis.
